

Join Us for our
9th Annual Education Symposium

Invading Swine, Swans and Worms - Oh My!

Wednesday, November 16, 2016 at 1:00 PM

Havenwoods Environmental Awareness Center
6141 N. Hopkins St., Milwaukee, Wisconsin 53209

[Google Map Link](#)

Celebrate our 2016 accomplishments, hear about our exciting plans for 2017, meet this year's Sweat Equity Awardee and learn how you can become involved!

This year's guest speakers will share information regarding **EXOTIC ANIMAL SPECIES** which are invading our region. Early detection, identification and prompt best management techniques will reduce the negative impacts of these unwelcomed critters:

Bernadette Williams, DNR Plant Pest and Disease Specialist will present:
Creepy Crawlers Invading Wisconsin

Dan Hirschert from USDA APHIS Wildlife Services will present:
An Update on Feral Swine and Mute Swan Management in Wisconsin

Download the [Symposium agenda](#)

The symposium is free and open to the public and delicious local refreshments will be served!

Weed Bags & Field Guides sold (cash only); free prize with purchase of \$20 or more!

You can win some really cool and useful stuff during our exciting new raffle so remember to bring some cash: just \$1 per ticket, 6 tickets for \$5 and a wingspan for only \$20!

Local foods and raffle prizes donated in part by:

Colectivo, Einstein's Bagels, Invasive Plant Association of Wisconsin, Kate Redmond Photography, Kwik Trip, Ozaukee County, Riveredge Nature Center, Roundy's, Starbucks, Urban Ecology Center, WDNR, Wehr Nature Center, Wisconsin Waterfowl Association, YMCA Camp Y-Koda & more!

Contact info@sewisc.org to sponsor and/or to exhibit at this fun and informative event.
Bring your friends and we will see you there!
