Presented by the  
Southeastern Wisconsin Invasive Species Consortium, Inc.

The Southeastern Wisconsin Invasive Species Consortium, Inc. (SEWISC) announces the 11th annual Sweat Equity Award, honoring Southeastern Wisconsin citizens and organizations for their significant contribution to prevent, control or eradicate invasive species that harm our region's lands, waters, and wetlands.

SEWISC is requesting nominations for individuals, teams, groups, or organizations for their exemplary efforts at addressing issues surrounding terrestrial and aquatic invasive species, including plants and animals. Note that individuals, teams and groups may be nominated. Please consider nominating adults and youth with whom you work or those from your community.

The recipient(s) of the award will be recognized at a ceremony during our Annual Symposium on November 13, 2019 taking place at Havenwoods Environmental Awareness Center in Milwaukee, Wisconsin. Ideally, the recipient will attend the Symposium in person. Following the ceremony, the award recipient(s) will be announced via the SEWISC website and winter e-Newsletter, and in the news media.
